	1	Nanbo's knows how aggravating it is to find a ding in your car. (SX: Aw, man) It'd be great if you could drive around with a portable pop-up garage, (SFX) buuut not gonna happen. Luckily, Nanbo has a fifteen percent package discount on home and auto insurance that protects your car so you feel like you're taking your garage with you – because it's protected, too – your whole home is protected with Nanbo's home and auto bundle! And Nanbo gives up to a twenty percent multi-car discount, so the whole family will feel like they're driving around with the garage. Kinda weird, but kinda nice. Nanbo insurance, celebrating forty nine years of service to the community.
